& WASHROOMS FOR ALL

PRODUCT GUIDE

Freedom to create

PRODUCT GUIDE

EXQUISITE BATHROOMS
& WASHROOMS FOR ALL

Freedom to create beautiful spaces, without limitations, for every body, for all surroundings, with accessibility and beauty at the forefront of our products and minds.

FITZROY
OF LONDON

Over 20 years in the assistive mobility and safety equipment market and 50 years experience in manufacturing.

Formerly known as NYMAS Group, Fitzroy of London is a specialist provider of premium washroom and bathroom accessories, sanitary ware, and Doc M packs.

Our products are crafted to enhance user experience, ensuring dignified and inclusive spaces for all.

With over 20 years of expertise in the assistive mobility and safety equipment sector, combined with 50 years of manufacturing experience, Fitzroy of London is the trusted supplier for accessible washroom solutions.

We are proud to serve a wide range of clients, from interior designers and local authorities to building/plumbing merchants and OEM customers.

We prioritise safety, dignity, and aesthetics, ensuring our products meet the highest standards for any accessible washroom environment.

Our commitment to customer service begins with expert guidance on compliance and product selection, bolstered by high stock availability, fast delivery options, and personalised support from our dedicated team.

Inspirational design

Our range of products and customisable options make any good space great. Plus, we're more than just a provider. We're your creative partner in bringing your vision to life, committed to exceeding expectations and delivering spaces that leave a lasting impression while being functional.

Meticulous quality

Our products are made from the finest materials and meet the highest of standards. We're highly competent and confident in our craftsmanship, ensuring the greatest quality to bring your concepts to life with stunning accuracy.

Exemplary experience

Our unparalleled service means you'll never settle for average.

With an average NPS score of 80, we're incredibly committed to your success and will work by your side to ensure it. From helping you find the products you need, to bringing your concepts to life, to customising accessories for the perfect finishing touches, we're with you every step of the way.

Fitzroy of London operate a policy of continuous improvement in the design and performance of its products and so the products featured in this guide may be subject to modification or revision. Specifications, designs, and availability may change without prior notice. Please check with our customer service for the most current information.

Our Ranges

Inspired by the rich cultural history and creative spirit of Fitzrovia, our ranges continue the area's tradition of bohemianism with classic and contemporary designs.

No matter your design vision, we have a range to support it.

From luxury bathroom collections to the essentials you need for a user-conscious, accessible washroom experience, we're your partner in bringing your creativity to life with a speedy, comprehensive service.

Our Signature range provides everything you need to create a luxurious, accessible bathroom space. Incorporating the highest quality products for inclusive bathroom design, the Signature range offers extraordinary luxury to complement your vision.

Design-led Exquisite Trusted

Leaning on modern and stylish design, the Style range combines premium fixtures with compliance to create contemporary accessible washrooms that leave a lasting impact.

This range provides premium, modern products that are both reliable and ultra-durable to meet the most demanding design requirements.

Premium Stylish Conformity

The Pro range is crafted with ease of installation and user safety at its core. This range provides cost-effective, durable solutions for when a budget-conscious, compliant option is required.

Easy to fit, easy to use and built to last, the Pro range offers essential products required for a fully accessible bathroom. Ideal for home adaptations and non-residential facilities, this range blends value for money and performance.

The very best of accessible washroom excellence

We craft and design our Signature range products with meticulous quality, making them the fittings of choice for several elegant surroundings worldwide.

Signature products offer customisable and finish options, allowing for a flawless look throughout your project.

Benefit from a design partnership

Nobody knows our collections better than us. That's why we'll work closely with you to ensure you find the perfect products, accessories and finishes to complement your vision.

Enjoy the freedom to create with our inclusive bathroom design expertise.

Meet the highest design standards

Excel in your creativity with our Signature range. Utilise the highest quality materials to meet design briefs and create stunning, memorable, inclusive bathroom spaces that deliver a lasting impression for all users.

Deliver on your creative brief

From Gosfield to Hanson to Portland and beyond, our Signature collections are influenced by various historical periods and stylings, offering you contemporary, classic or modern products to bring your design visions to life.

The Constable Collection

Meticulously crafted with the closest attention to detail, the Constable Collection refines contemporary interiors with high-grade stainless steel products.

Intricately refined and crafted with hexagonal detailing, Constable products are available in PVD and traditional finishes.

Available on request.

Speak to one of our team for more information.

The Mortimer Collection

With sculptured, square compositions, the Mortimer Collection offers a modern feel to your accessible washroom space.

Mortimer's square-ended products provide an assertive presence that exudes simplicity and creates balance in any room. Available in all PVD and traditional finishes, this range is a canvas for free-flowing creativity.

Available on request.

Speak to one of our team for more information.

The Kirkman Collection

Inspired by the famous Art Deco design period of the 1930s, Kirkman combines Arts Décoratifs styling with exquisite craftsmanship to represent this renowned period.

Crafted from stainless steel, Kirkman offers versatility and a classic and progressive appeal to your accessible bathroom space.

Available on request.

Speak to one of our team for more information.

The Bolsover Collection

Discover a truly authentic period style with the Bolsover Collection.

With its exposed screws and high-grade stainless steel, Bolsover serves a classic aesthetic perfect for any luxury bathroom product.

Customise with PVD and traditional finishes to create a product that complements your design vision.

Available on request.

Tap into contemporary design with our Style range

The Style collection is the first choice for buildings where the priorities are design-led elegance, exceptionally reliable quality and full compliance. Create spaces with the atmosphere of modern commercial washrooms without compromising inclusivity.

Go beyond aesthetics

Functionality and compliance come as standard with our fully stocked Style range. These high-quality products have extensive warranty coverage and are speedily delivered to keep projects on track.

Deliver elegant and stylish spaces

Nobody knows our collections better than us. That's why we'll work closely with you to ensure you find the perfect products and accessories to complement your washroom space.

Icon key

Use our simple icon key to help you identify the key features of our products, and select your perfect match.

Finishes

The Hertford Collection

A stylish and contemporary assisted living collection.

Suitable for residential and commercial projects, Hertford products deliver a design-led experience driven by the latest fashion and interior trends.

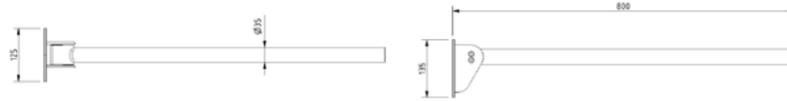

Go beyond aesthetics and provide comprehensive accessibility to your end-users.
