# Why choose an Adamsez Bath?

## A Legacy of Innovation & Expertise

With over a century of experience, Adamsez has pioneered luxury bathroom design, applying generations of skill, knowledge, and innovation to set new standards in the industry. We excel at transforming bathrooms into stylish sanctuaries, blending timeless aesthetics with modern functionality. Every bath reflects our rich heritage and commitment to excellence. When you choose Adamsez, you choose a product backed by generations of expertise.

## Lifetime Guarantee

Our commitment to quality means we offer a lifetime guarantee on all Adamsez baths. Built from premium materials and designed to last, our baths are an investment in durability and performance. You can enjoy your bath with the confidence that it's protected for life.

## Over 30 Bath Designs

With over 30 expertly designed baths, Adamsez offers a style for every home and taste. From minimalist, space-saving options to bold, statement-making pieces, our baths are intelligently created to blend form and function, making them a stunning centrepiece in your bathroom.

## Customisation with AdColour

With AdColour, you can truly make your Adamsez bath your own. Our innovative colour-matching service allows you to choose any colour for a personalised, bespoke finish that seamlessly integrates with your space aesthetic. Whether you prefer bold, striking hues or subtle, calming tones, AdColour helps you express your style with ease.

*AdColour;*  
Make me yours

**This is only a selection of colours that we can add to your bath.**

We can provide a Painting Service and add a colour matched RAL number or any other coded paint to your bath, or alternatively our bespoke Painting Service can colour match, for example a furniture or tile colour to your new bath in a gloss, satin, matt or metallic finish.

For more colours and bespoke finishes please contact us on 028 9081 7631 or alternatively visit us at [www.adamsez.com](http://www.adamsez.com)

Essence II - Page 64

# Our Journey: *Over 140 years of Expertise*

Since the 1880s, Adamsez has built a legacy of quality and innovation in the bathroom industry.

Our story reflects key milestones in our pursuit of excellence, evolving while staying true to our founding principles of exceptional design and precision engineering.

**1880: Founding of Adamsez**  
M.J. Adams and S.H. Adams establish Adamsez in Newcastle-upon-Tyne, focusing on sanitary ceramic products.

**Late 19<sup>th</sup> to Early 20<sup>th</sup> Century: Innovation & Expansion**  
Adamsez gains widespread recognition for producing high-quality, luxurious bathtubs.

**1950-1960: International Recognition**  
Adamsez win gold medals at the tenth and sixteenth Triennale di Milano, highlighting their excellence in design and quality.

**1960-1970s: Technological Advancements**  
Adamsez innovates with new materials and designs in the bath market, staying ahead of trends and contributing to the growth of modern bathroom aesthetics.

**1980s-1990s: Product Diversification**  
Moves to Belfast and launches compact, corner, and spa baths with whirlpool systems with colour options.

**2000s: Continued Excellence**  
Adamsez maintains its reputation for quality and innovation, adapting to modern design trends while preserving its heritage.

The introduction of freestanding baths and stone baths with bespoke colour painting is available.

**2020s: Acquisition & Revitalisation**  
Aqualia, a Northern Ireland based brassware specialist, acquires Adamsez, breathing new life into the brand and announcing significant investment for further innovation and development.

**2021-Present: Continued Growth**  
Adamsez continues to grow, introducing new collections that combine its rich heritage with modern design and innovative features.

Aqualia and Adamsez are part of the FM Mattsson Mora Group which brings together several of Europe's, leading bathroom brands.

# Freestanding Baths

As Britain's oldest and most respected bathroom company, we have been involved in the wonderful art of combining form and function and of merging the finest materials with time tested expertise for longer than any other bath manufacturer - To create a range of beautifully proportioned freestanding baths that are unsurpassed for quality, design, innovation and comfort.

## AdCast by Adamsez - Stone

Our Stone Bath collection is crafted using **AdCast**, a premium composite stone that ensures a durable, flawless finish.

Made from the finest materials, these baths are designed to last a lifetime.

Hand-finished by our skilled artisans, each bath is available with bespoke outer finishes to suit any bathroom aesthetic.

## Heritage *Collection*

### Timeless Elegance, Inspired Bathing

Step into a world where heritage and design come together to create luxurious bathing experiences. This exclusive collection celebrates Adamseiz's deep connection to innovation, creativity, and design excellence, inspired by its homeplace in Belfast since the 1980s.

- **Thompson Bath** is inspired by Belfast's shipbuilding history, offering an ergonomic, single-ended design with generous space and comfortable back support.
- **Harland Bath** reflects the pioneering spirit of Belfast's industrial era, showcasing bold design with lasting durability.
- **Lewis Bath** channels the imagination and creativity of Belfast's literary legacy in a space-saving design that ensures comfort without compromise.
- **Clarendon Bath** is a tribute to Belfast's maritime history, featuring a balanced and graceful double-ended design that blends elegance with innovation.

Crafted from premium composite stone and incorporating modern features like integrated overflows and clicker bath wastes, this collection is perfect for those who appreciate both luxury and contemporary design.

Embrace a piece of history with the Adamseiz Heritage Collection —  
**Where every bath tells a story.**

## *Shower Trays*

by Adamsez

Modern Design –  
Straight, perfectly defined  
features, with a resin cover  
that gives the design of the  
bathroom a modern touch.

## NEW SIZES

### The stain resistant, anti-slip composition of an AdStone Shower Tray is practical and easy to maintain.

AdStone Shower Trays are manufactured combining composite mineral and nanotechnology, in addition to the use of materials that favor the sustainability of the planet. It combines elastic resins with mineral fillers and a layer of the latest generation gel coat that result in products with greater durability and impact resistance, as well as significantly reducing their weight.

#### CHARACTERISTICS

##### COMPOSITION

Polyester resin and the latest mineral fillers

##### OUTER LAYER

Highly resistant, durable non-slip Gel Coat

##### TEXTURE

Antislip Class C3

Rectangular resin cover included on AdStone Rectangular Trays

ANTISLIP CLASS 3

EASY TO CUT

EASY TO CLEAN

CUSTOM MADE

IMPACT RESISTANT

ANTI-BACTERIAL

WATER PROOF

EASY TO REPAIR

QUALITY RAW MATERIAL

McAlpine wastes supplied as standard with all AdStone Shower Trays.

McAlpine started making plumbing products in 1902 and the company is privately owned and still run by the same family today. Based in the United Kingdom McAlpine is actively involved in the production of quality products which are available from national and independent suppliers.

#### OTHER FEATURES

- Sustainability
- Nanotechnology
- High quality materials
- Durability
- Weight reduction
- Higher resistance

#### NANOTECHNOLOGY MORE RESISTANCE & LESS WEIGHT

Application of nanotechnology to combine flexible resins with low-density mineral microparticles.

AdStone Graphite

AdStone Black

## Frequently Asked Questions

### How should the product be stored once it has been received?

It should be stored horizontally on a flat surface.

### How can the products be repaired?

Although they are very strong and impact resistant, we have repair kits available for our customers.

### Can the product be cut?

Yes, with a diamond cutting disc.

### How do you clean the product?

Neutral soap and water applied with a sponge should be used. Never use abrasive products or tools.

### What material should be used to install the products?

To stick and/or seal the products use MS flexible polyurethane sealant and/or neutral silicone.

AdStone  
Graphite Quadrant Tray

## Cleaning & Maintenance Guide

### For regular cleaning use a universal cleaning agent with non abrasive properties, or any mild dish soap and water.

After each use the inner surface must be rinsed with water and cleaned with a cotton cloth. For more stubborn stains (grease, mildew, oil, paint or ink stains), use a mild abrasive cleaner. It may take a little more scrubbing to actually remove marks.

In order to maintain the aesthetics of a product it is recommended to use skin care oil once per month.

Stronger dirt must be treated with warm water, with gentle cleaning agents or a soap solution with water. Scratches on the surface may be treated with a rough sponge and then maintained with oil.

Limescale may be treated with a solution of water and vinegar.

The temperature of the water used to clean the washbasin must not be hotter than 70°C and for the bathtub and the shower tray it must not be hotter than 75°C. Cleaning products must not be used and care must be taken when using products with natural or artificial dyes. Before using a detergent on the product, try it first on a hidden spot. Inappropriate care of the product might damage it and void the warranty.

## Warranty

Our AdStone Shower Trays come with a lifetime year warranty according to the existing European regulations. The following circumstances shall void the warranty:

- Damage caused by misuse
- Unsuitable storage and handling of the product
- Incorrect use of cleaning products
- Inappropriate installation of the product

# Essence II

## Timeless Beauty, Perfected.

The ESSENCE II Freestanding Bath is the next generation of the iconic Essence Bath, beloved for its flowing contours and stunning design. This refined version retains the signature curves that seamlessly flow to the floor, making it an exquisite centrepiece in any designer bathroom. Now crafted as a single-piece acrylic bath, the ESSENCE II reflects modern tastes while maintaining its timeless appeal.

This double-ended bath offers versatile luxury, with an added tap ledge for convenience and a hidden access panel for easy maintenance. The ESSENCE II is the ultimate evolution of elegance, merging beauty with practicality for the discerning bather.

Supplied as standard without a waste and overflow cover and has a slimline bath trap for easy installation above floor level.

All of our Contemporary Collection baths contain fully encapsulated under rim frames and base boards with 7 layers of fibreglass core matting. Each layer bonded with resin and applied by hand for maximum strength and durability.

- Each bath is finished with a high-viscosity durable finish
- Lifetime guarantee
- Hand finished in the UK

# Contemporary Baths

At Adamsez we want you to love your bath.

That's why we have put such thought into designing tubs that are cleverly proportioned and skilfully formed to give you excellent shoulder room, which will give those tired muscles room to relax, superb depth to let lots of warm water surround you and maximum length to let you really stretch out.

We haven't compromised on design, so you don't have to compromise on comfort.

## Lifetime Guarantee\*

All our baths within the contemporary range have a lifetime guarantee\*. This endorsement of our commitment to quality, designs and innovation will give you total peace of mind as you enjoy your Adamsez bath for years to come.

\*Terms and conditions apply.

## Finest Quality Construction

As Britain's oldest and most respected bathroom company, we have been involved in combining the finest of materials with time tested expertise for longer than any other bath manufacturer.

The beautifully smooth and flawless high gloss acrylic inner is strongly reinforced and thermally insulated to give you a bath that is unsurpassed for quality and innovation.

## Adamsez Excel

All of our Contemporary Collection features Adamsez's Excel as standard.

Our distinctive Excel finish is a hand-applied, high-viscosity coating that enhances each bath's strength and thermal properties. # *Whirlpool Systems*

**The ultimate bathing experience is the combination of a beautiful Adamsez bath with the added luxury of a revitalising whirlpool.**

Relax and enjoy all the benefits that whirlpool bathing brings.

Invigorating yet soothing, our high performance whirlpools can be fitted to many of our Contemporary Baths within the Single Ended and Double Ended Collection.

AdFill

The AdFill can be used with any standard wall or deck mounted valves.

Valves shown in the image to the left are just for illustrative purposes only and do not come with the Round AdFill.

NB: If not using an Adamsez waste or filler please forward prior to system installation.

Round AdFill - Code B-RO

Operating the Whirlpool System

Adamsez 8 Whirlpool

Activate the system by pressing the single pneumatic push button. Select the required performance level by individually adjusting the air intake control button and water speed control button.

The directional jets can be adjusted by the bather to specifically target where you would like to receive the warm massaging effect of the whirlpool.

Adamsez 12 Whirlpool

Activate the system by pressing the start button on the electronic control. At low speed, the whirlpool generates a gentle massage, but at the touch of the keypad, the system moves into turbo power for optimum performance.

A third button activates the pulsar effect which gives fully variable turbulence, alternating automatically between high and low level speeds. For total peace of mind, press the next key to activate the hygiene management system, which is a superbly integrated self-cleaning system.

A high quality halogen spotlight is available as an optional extra. Designed for user safety and appeal, the effect of the light will influence the whole bathing experience.

Accessories & Technical Information

Selecting your whirlpool bath

Adamsez offer a wide selection of beautiful baths that have been designed for your comfort and relaxation. Deep, spacious and with excellent shoulder room, an Adamsez whirlpool bath will provide you with the ultimate bathing solution.

Caring for your system

With proper care and attention, your Adamsez bath should last you a lifetime. To maintain the high gloss finish on your bath, use only a soft cloth and warm soapy water. The hygiene management programme on the 12 and 18 whirlpools provides an excellent self-cleaning function for your system.

Underwater Light

The appealing tones of light reflecting in water create a relaxing and soothing mood in the bathroom. Why not enjoy an underwater light in your own whirlpool bath? This high quality LED underwater light has been designed for user safety and appeal. Available in chrome, the effect of the light will influence your whole bathing experience.

Controls

The individual controls on the Adamsez 8 whirlpool allow you to achieve great adjustability and performance. A single pneumatic push button activates the system while the range on the other two controls allows you to select the appropriate air intake level and water speed to suit your individual bathing requirements.

Electronic Controls

Both the Adamsez 12 and 18 whirlpools have an attractive electronic touchpad control for your convenience and ease of use. This sophisticated control allows you to select the desired level of turbulence at a simple touch and incorporates hygiene management, pulsar effect and underwater light option. So easy to use, yet so comprehensive in its functions.

Jets

The Adamsez 8 whirlpool has 4 jets neatly positioned down either side of your bath. The 69mm diameter jets are directional to enable you to target specifically where you would like to receive the warm massaging effect of your whirlpool. The other systems will be fitted with either 12 or 18 chrome jets 42mm in diameter. The jets are carefully positioned around the inner contours of the tub to ensure that your back and feet can specifically benefit from the stimulating yet soothing effect of hydro massage. These powerful jets allow for an exceptionally invigorating body massage.

Adamsez offer a wide selection of beautiful baths that have been designed for your comfort and relaxation. Adamsez whirlpool baths provide the ultimate bathing solution.

# Our Sustainability Journey

We are making small steps to meaningful change by actively seeking ways to reduce our carbon footprint.

## PROCESSES

- **Carbon Balanced Brochure Production**  
With this brochure alone, we have balanced through **World Land Trust** the equivalent of 7,280kg of carbon dioxide and helped protect 1,390m<sup>2</sup> of critically threatened tropical forest
- Introduction of **QR Codes** to help encourage digital brochure use
- Use of **plastic-free solutions** in packaging and warehousing

## PRODUCTS

- New products are designed to maximise the use of sustainable materials and ensure product longevity. Throughout the value chain, we work with partners to continually evaluate and improve from an environmental point of view

## PEOPLE

- Long term support and sponsorship of local charity initiatives
- Health and Wellbeing initiatives to encourage healthy body and healthy mind
- Culture of togetherness and teamwork

Our commitment to a more sustainable future means that our journey will continue to evolve as we work toward reducing our carbon footprint.

Let's work together to make things better.

Due to the process of continuous development we reserve the right to alter specification without notice.

### Lifetime Guarantee\*

Adamsez baths, basins and shower trays are guaranteed against manufacturing defects for the lifetime of the first domestic purchaser.

The product will be replaced or refunded at the manufacturer's discretion.

No other loss is guaranteed.

This guarantee applies only to domestic purchases in the UK and Republic of Ireland and is non-transferable.

Proof of purchase will be required.

\*Bath Shower Screens have a 5-year guarantee.

### Errors and Omissions

We reserve the right to amend prices due to errors or omissions without notice.
